Hear what life has to offer

If you've been experiencing hearing loss, but have put off getting help because of misperceptions about hearing aids or because of budget concerns, now is a good time to learn about Start.

Start is Audibel's latest line of value-priced hearing aids: designed with our usual high quality standards, but at a more economical price.

Start includes the most important features for providing a hearing experience that delivers quality sound and increased comfort – all for your unique hearing needs:

Feedback Cancellation – greatly reduces annoying buzzing and whistling caused by things like talking on the phone or being hugged.

Noise Management – automatically recognizes and reduces noise for more comfortable listening in loud environments.

Directional Settings – designed to help you understand the speech in front of you while filtering out unwanted background noise.

Ask your hearing care professional about Start today and discover all that you've been missing.
